# Principal's Message

To the Senior Class of '52:

Any message at this time should begin with congratulations to you, a class that has proven that the worth of the individual is an important factor in any society that has as its aim, "Democratic Living".

Four years ago we started out together believing that each one of you had some contribution to make towards the overall development of Northampton County High School, and today we can look back with pride at your contributions, regardless of how small or great they may have been. To us they have been contributions well made.

We have tried to guide you by democratic principles and through this same medium you have interpreted your school program to our community. Through you the community has gained confidence in its educational system and now this confidence must be kept forever burning just as your "Lighthouse".

We regret to think that you are leaving at a time when the trend is pointing towards better facilities for the educational advancement of the youth of our County. Still we realize that school is simply living, and in life oftentimes those who have paved the way are not granted the privilege to reap the full benefits of the finished product. The memory of your contributions, however, will be a part of the total pattern.

As you go from these walls, we know you will carry many things, some of which will soon be forgotten, but we wish you to remember that you still have greater contributions to make to this "American way of life". Your Alma Mater's achievements will be more effective over and beyond the things that have already been brought forth because of you.

Those of us who have been entrusted with your well being thus far, wish for you all the success possible, but, beyond that, we are eager to see you exert yourselves to do good and grow nobly.

Finally, Class of '52, as in former years we wish to congratulate you for the perpetuation of an integral part of your school life, namely, "The Lighthouse". It has for many years been lighting the pathway of Northampton's graduates. The way that you have cooperated in making this one of the most successful issues since its beginning should prove a valuable experience to you in the future.

## Dedication

To Luberta  
Felton, our friend  
and former classmate  
whose voice we have  
missed for three  
years, we dedicate  
this the nineteen  
hundred and fifty-  
two edition of the  
Northampton County  
High School Light-  
House. With this  
dedication go our  
sincerest wishes  
that she will soon  
be among us to share  
again the golden  
memories of which  
she is so vital a  
part.

May Heaven smile upon her  
As she grows well and strong;  
May she be back among us  
Before it is too long.

# Senior Prophecy

East Jalopy, Illinois  
1952 Graduation Avenue  
June 3, 1972

Dear Mildred,

It seems a long time since we graduated from Northampton County High School. Last night I was looking through the yearbook of 1952, but whose face should greet me but Verdell Adair's. Did you know that he is owner and operator of a large dude ranch out in Wyoming? His wife who was formerly Miss Annie Anderson is doing his book-keeping. When I visited them last year he showed me around his beautiful ranch.

It seems that Sidney Harmon, who did the bricklaying for the new school back in '52 has gone to Europe to study French, German and Italian, and David Sheppard who blows a trumpet has just finished paying a \$100 fine for disturbing the peace trying to play "In My Solitude". Since that time he has composed another song, "No Money Blues".

You could never guess in a hundred years what Mildred Stewart and Franklin Brisco are doing. She is now Mrs. Brisco and teacher at the R. G. H. School of Dancing. He is the designer of the costumes for her students, all of which are girls. Mrs. Brisco recently received an honorary degree from Yale University.

Hilton Smith, who always aspired to be a doctor is now director of a hospital for crippled cats and dogs. His wife, Mrs. Mable Chapman Smith is head nurse. She completed her training last June after spending eight years at the Lame Brain Institute for Practical Nurses. The members of the staff are: Dr. John Powell, who is head of the Department of Nervous Diseases of Cats, Lizzie Floyd, dietician and Willie Spady, chief cook.

Across the street from Dr. Smith's hospital is Mr. Samuel Anderson's undertaking parlor. Miss Daisy Downing, is head beautician. And of course you remember Constance Fox, who was Valedictorian of our class; she once aspired to become a writer. In twenty long years she has only published two books: Titles, "Gloomy Gus" and "Henpecked Sue". They were so incoherent and hilarious that the people who read them immediately went insane from laughing. So she was put out of business.

Charles Bell is now Rev. Bell, he is pastor of Bloomingdale Baptist Church in Possum Creek. What's more the deacons of the church are, Earl Wescott, Charles Smith, Thomas Bartee and Joshua Coston. Rev. Bell's organist and choir director is Grover Watson, who graduated from the Ear Splitting School of Instrumental Music in Oshkosh, Wisconsin.

Mabel Downing and Jacqueline Bartee are partners in a sewing shop. Their employees are Flossie Doughty, Winnie Harmon, Margaret Savage and Shirley Spady. Flossie was so busy running her mouth that she sewed the zippers at the hem of the dresses and the sleeves at the side. Of course, if she had remained with the firm their businesses would've been ruined, so they had to fire her.

Mrs. Flossie Floyd Fisher, wife of Attorney Harvey Fisher, who took Home Economics for three long years doesn't know yet how to economize. Attorney Fisher is so tired of eating beans and potatoes he's afraid he'll be sprouting potatoes after one more meal. The family physician, who is Florence Simpkins, has put him on a diet. He is now weighing 220 pounds and seems to be gaining at the rate of a pound a week.

Henry Allen and Bernard Jones are now owners of a large restaurant in Eat No More, Michigan. Their employees are Mildred Church, dishwasher, waitresses Shirley Johnson, Ella Upshur, Estelle Robinson and Deloris Morris. Chef Cooks are Maurice Weeks and Fred Johnson. Mr. Weeks' speciality is snail salad and Mr. Johnson's is homemade rolls and buns.

Dorine Scott, Betty Harmon and Dolores Onley have gone to the Old Maid's Rest Home in Stop In, Ga. Betty, who is a millionaire, now spends her spare time worrying over her boy friend, Silas Gates. She lost him while making all this money at the Gooseberry Jam Factory in Jam 'Em In The Jar, La. Who would've thought Dorine Scott, who once weighed 98 pounds is now tipping the scales at 195 lbs. She can only leave her room in the specially designed wheel chair. Dolores Onley has so many "Prince Charmings" in her past and has broken up so many homes, that Sudie Beckett, who is now Judge of Keep Your Man At Home Court has sentenced her to the Old Maid's Rest Home for life. Here's hoping no one opens up a Bachelors Rest Home anywhere nearby, or the charming Miss Onley might start another panic.

Florence Beckett, Nellie Long, Jene Weeks and Wilsie Waters are now models for Franklin Victory at the Shapless Modeling Theater in Poor Style, Minnesota. Mr. Victory, still a bachelor after all these years, is being "chased" by all four of his models, Feature This!!! Franklin Victory, who was once an all star football player at Northampton County High, is designer of his models clothes.

Johnson Harmon, is now an art director in Switzerland and his students are Josephine Sample, Mary Bailey, Dinah Brooks, Lucille Clayton and Anna Warren.

Mildred, you can never tell what the future may bring. Who would've thought that twenty years from your graduation you would be washing dishes in a restaurant belonging to two of your former classmates.

I hope you have found this letter interesting because the time has come for me to close, but I couldn't possibly close without mentioning the fact that Violet Harmon is now Secretary of the new Northampton County High School. She graduated from the Secretarial School in Orangeville, Nevada.

Affectionately yours,

Mabel Chapman Smith  
(Mrs. Hilton Smith)

CHERISHED MEMORIES

Today we are leaving, ol' Northampton High  
Our schooldays are nearing an end  
The moss covered buildings  
The campus so dear  
Their memory will burn  
Throughout our career

We'll cherish thy precepts, ol' Northampton Hi  
Thy honor we'll ever regard  
We'll ever be faithful  
And always be true  
Our hopes for the future  
Were inspired by you.

All hail to thy colors, ol' Northampton Hi  
Maroon and gold banners we fly  
Maroon stands for richness  
And gold is the light  
That beams from the Lighthouse  
Its beacon, so bright.

Constance Fox

# Senior Class History

We, the graduating class of 1952, entered the secondary level of our educational career as freshmen in the Northampton County High School on September 8, 1948.

During that year, Miss Luberta Felton of Freshman "B", won the title of "Queen" on Homecoming Day. The other contestants were Barbara Beech of Section "A" and Flossie Floyd of Section "C". Also in our freshmen year two members of our class, Carl Bailey and Franklin Victory, were stars on the Football Team. We are grateful to Mr. A. B. Whitehead, Miss D. M. Turner, and Mr. W. W. King for their patience and guidance in leading us through this new and exciting period as Freshmen.

September 9, 1949, found us continuing our search for knowledge. We returned to the Northampton County High School as determined and energetic Sophomores. We were more acquainted with the School, and we found our Sophomore year more interesting than our Freshman year. Although a few of our classmates dropped out, we still worked towards our goal to make that another banner year.

Vaughan Downing, Section "B", won the title of "King" on Homecoming Day that year. Also in our Sophomore year Miss Betty Harmon was elected "Queen". The other contestants were Misses Shirley Johnson and Flossie Floyd.

The year 1950 remains a banner year in the history of this class. It was September 10, of that year that we enrolled at Northampton County High School as upper classmen. Instead of the three sections of our Freshman and Sophomore years, we were divided into two sections. That year gave us an air of distinction, and we were more determined that no obstacle or temptation could change our will to carry on.

We were proud to have Miss Shirley Spady of Section "A" elected "May Queen". The other contestant was Miss Jene Weeks of Section "B".

Eugene Jackson and Franklin Victory were outstanding players on the Football Team. Franklin Victory was also fullback on the defensive team of the Eastern Division, VIAL.

At the end of this successful year, we were grateful for the patience and understanding of our homeroom teachers, Mr. A. B. Whitehead, and Mrs. H. D. Upshur. Their inspiration and faith in our ability kept us going.

Finally, on September 10, 1951, we reached our highest classification at the Northampton County High School. We entered with all the pride and dignity usually attributed to Seniors.

Jene Weeks, Senior "B" was "Miss Homecoming and Daisy Downing was the contestant from the Senior "A" Class. Our contestants for "May Queen" this year are Dolores Onley of Section "A" and Jene Weeks of Section "B".

The representatives of our class for Student Council are, Daisy Downing, Verdell Adair, Mildred Steward and John Powell.

We regret that our loyal classmate, John Branch, will not be able to graduate this year with our class, for he was called by the Army last Spring.

Our deep sympathy goes out to the relatives and friends of our classmate Sgt. Homer Wilson, who gave his life in Korea that our country might be a better place in which all citizens could live, regardless of color or creed.

For Mr. Smith, our Principal, and all the members of the Faculty, we shall always keep in our hearts a warm spot for their comradeship and excellent leadership.

We, the class of 1952, wish the class of 1953 a successful senior year.

Mabel Downing  
Historian

A SENIOR'S FAREWELL

Goodbye Northampton ! The time has come to part;  
We go but your memory will always be in each heart,  
Everything we owe to you -the large, the good, the small  
For you were always there whenever we did call.

They weren't all easy - the tasks you urged us do,  
But we trusted your wisdom and kept faith in you.  
Now we'll never forget you and may you never fail  
To serve as our "Lighthouse" on the stormy seas we must sail.

John Powell

In the year of 1950 a group of bewildered Freshmen entered Northampton County High School. Mr. Smith, the Principal, assigned us to the Freshman "A" Class with Miss D. M. Turner as our homeroom teacher. We participated in all the extra curricular activities of the school. With much work and many, many tests, the term finally closed.

After summer vacation ended, we started out on a higher rung of the ladder of education. Our homeroom teacher is Mrs. M. B. Collins. We are striving to make our sophomore year one of worthwhile attainment.

To the graduating class we wish luck, success and a bright future.

# New Homemakers of America

We are proud of our Chapter Mothers, who are working faithfully, helping us to promote our programs. They are: Mrs. F. T. Allen, Mrs. A. J. Godwin, and Mrs. M. Downing.

The New Homemakers of America Club has been organized for several years and it has made rapid progress. A few years ago the local clubs were organized into a statewide association. Since that time delegates from local chapters have been sent to Virginia State College to attend Conferences. At the Conferences, officers are elected for the State Association and plans are made for the year. Since the State-Wide Association of the local clubs has been organized we have been sending delegates to the Annual Conference.

The Northampton County Chapter is proud of some of the accomplishments it has made in the past years. We have had the honor of having two state officers.

The membership and interest in our Club has been increased considerably since every member has been placed on some committee with a definite responsibility.

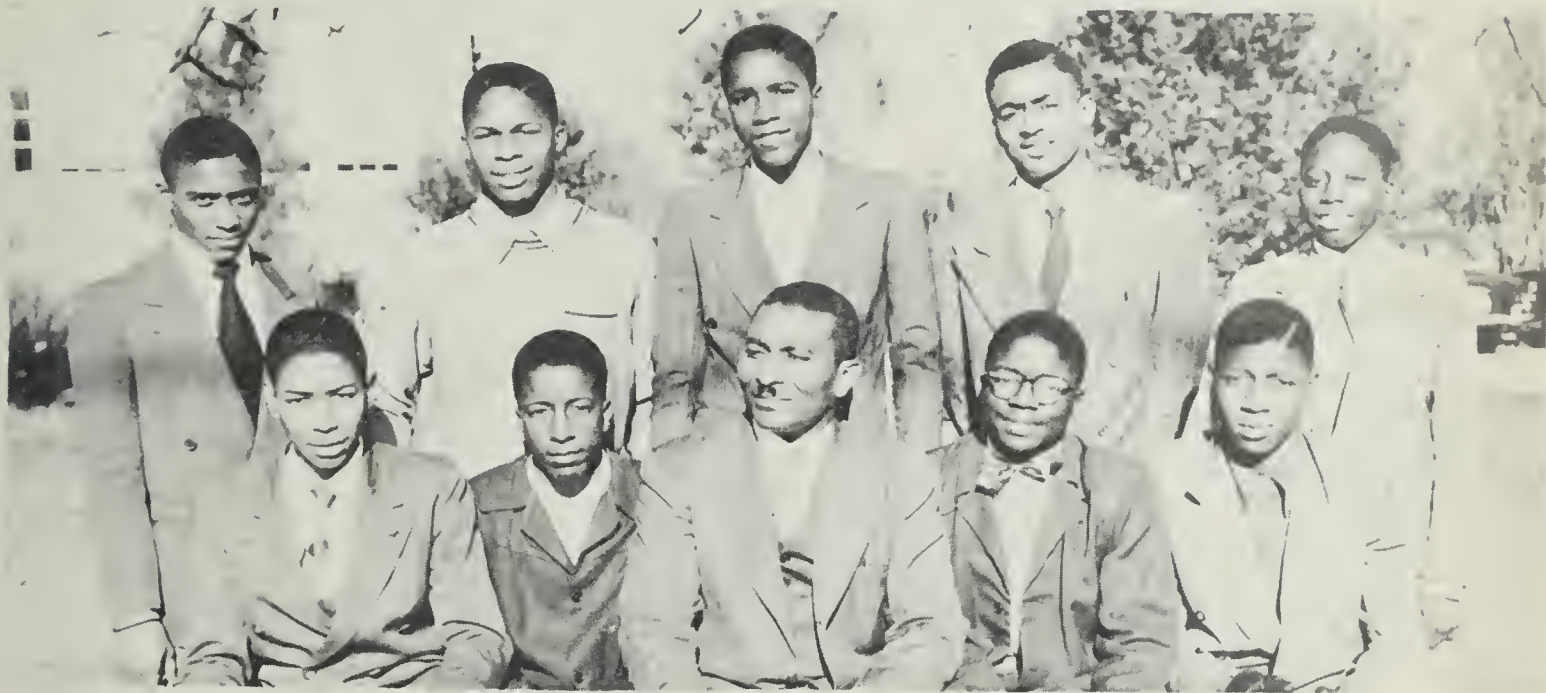

We, the members of the Northampton Chapter, extend to the graduating class our best wishes for a most successful career and bright future.

# New Farmers of America

The Northampton Chapter of New Farmers of America has made progress each year since its organization in 1937. Our ultimate aim is to develop competent rural leaders through cooperation, thrift, civics, scholarship, and an intelligent choice of farming vocations.

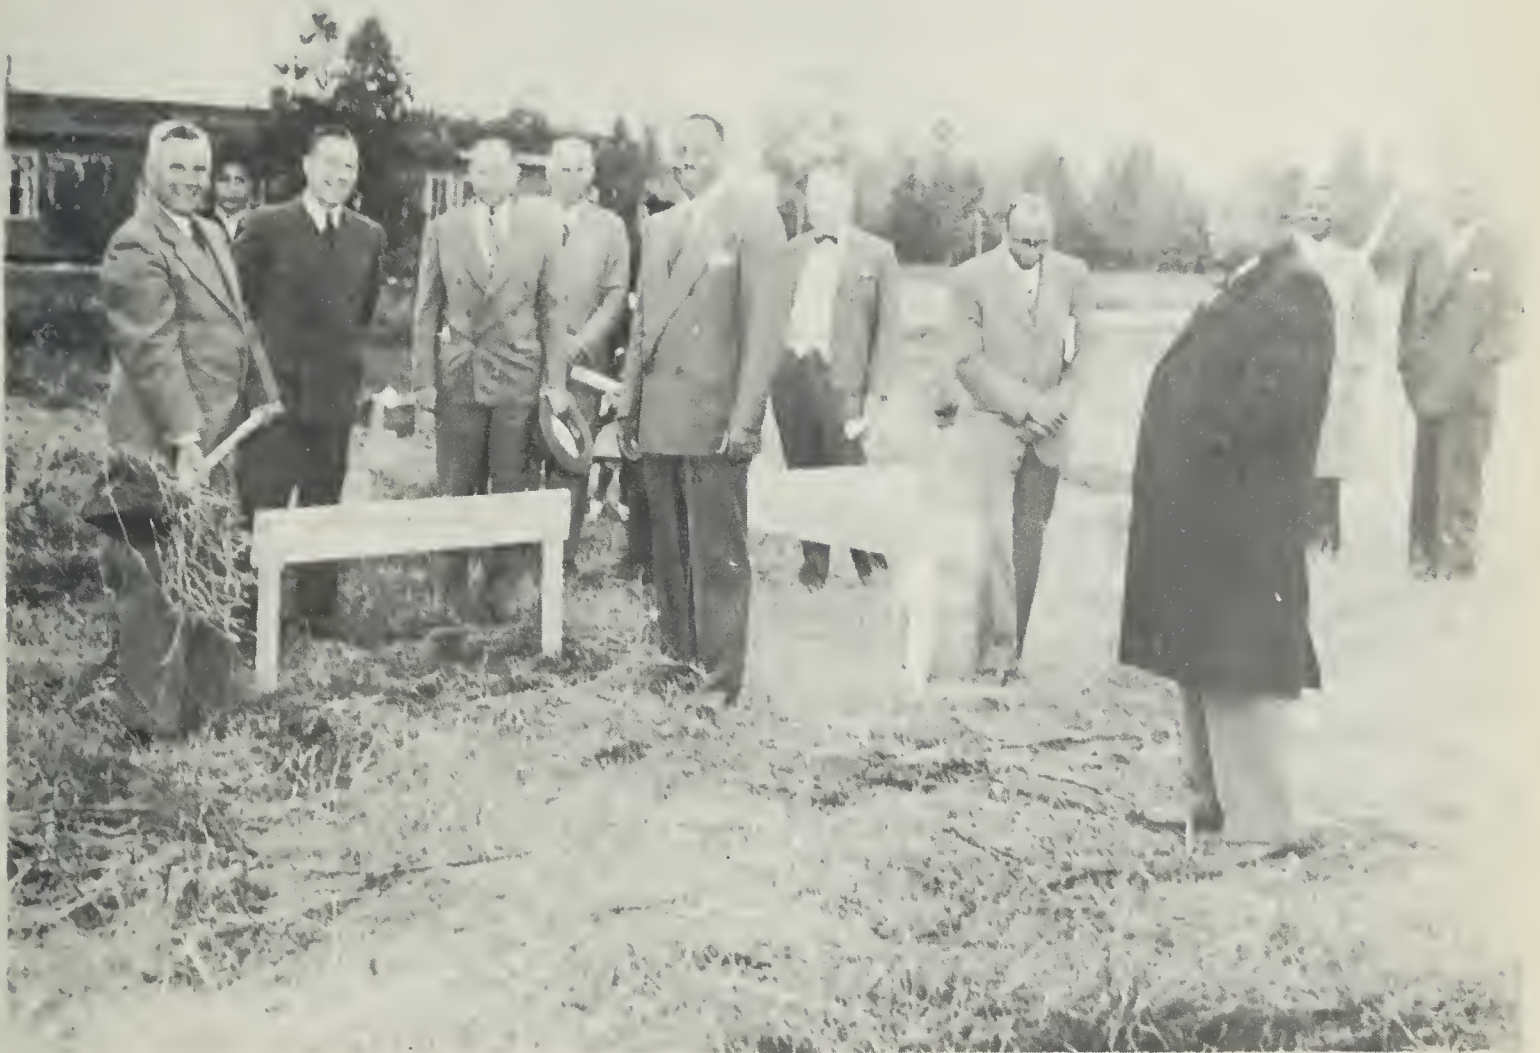

We took an active part in the Eastern Shore Federation and the State Rally. We were represented at the State Rally by George Bibbins and Hilton Smith.

We, the officers and members of the Northampton Chapter of New Farmers of America, extend to the graduating class our best wishes for a most successful career and a bright future.

# Ground Breaking Ceremony

On Monday October 29, 1951 at 3:30 P. M. citizens from all sections of the County gathered to witness the Ground Breaking Ceremony for the new Northampton County High School. This Ceremony marked the starting point of a building program that has been sanctioned by the Northampton County School Board and Board of Supervisors in order to further increase the educational advantages of the youth of our County.

# Spring Festival

The Queen of the 1951 May Day Festival, Miss Sarah Collins, was crowned before the Annual Ball Game between Norfolk County High and Northampton County High on May 11, 1951.

Her Majesty, Miss Collins, was escorted to and from the throne by Mr. Earl Wescott, of Junior "A" Class. Colorful folk dances and drills were performed in honor of the Queen.

Standing on the Throne from Left to Right: Earl Wescott, Andrea Fox, Paul Bibbins, Jr., Sarah Collins and W. H. Smith, Principal.

# Guidance

The Guidance Committee began its year's work with a continuation of the Program developed and used last year. The decision of the group to continue last year's Program was based on the success of the Program and the wide-spread effect on all phases of student life.

We feel that the continued development of the student along the phases of proper reading and study habits, good health habits, participation in, and appreciation of wholesome social activities and meaningful vocational assistance will prepare the student to meet the world and its problems.

To assist in this development the following groups were organized:

Slow Reading Group - Miss D. B. Craft, Chairman

Health Group - Mr. J. E. Worsley, Chairman

Social Group - Mrs. I. J. Williams, Chairman

Vocational Group - Mr. C. N. Williams, Chairman

To the Class of '52, we hope that the assistance we have given you will not prove to be too meager.

1. To stress the importance of cleanliness and pride throughout the buildings.
2. To complete and repair the Roll of Honor.
3. To send a delegate to the Annual Student Council Meeting to be held at Peabody High School in Petersburg, Virginia.

# Dramatics

The Northampton County High School Little Theatre, usually called the Dramatic Club, was organized in 1948 under the direction of Misses M.V. Blanchard and D.M. Turner. During our first year we sponsored three one-act plays. For the past three years we have presented a Thanksgiving Program for the assembled student body.

This year we have not been very active because of limited space and time, but we are looking forward to increased activity in the immediate future.

We wish for each Senior a long and prosperous life.

## Mixed Chorus

In 1950 the Chorus was organized under the leadership of Mrs. H.D. Upshur and Mrs. M.B. Collins. At Christmas we presented a program in the Auditorium and visited the home of one of our members who was confined to his home with a broken leg.

In 1951, we presented a Christmas Program in the auditorium which depicted the significance of Christmas through dramatizations of selected Christmas Carols. We are proud of the interest and cooperation that our members have shown and the patience of our advisors.

To the graduating class we offer congratulations and best wishes.
